Continuous CLA-EC

Zanganeh, S.;   Meybodi, M.R.;   Sedehi, M.H.;
Comput. Eng. Dept., Islamic Azad Univ., Baft, Iran

ABSTRACT

Standard CLA-EC which is introduced recently is an evolutionary computing model obtained by co...
evolutionary computing (EC) model. Some drawbacks of this model are low convergence speed an...
this paper a new version of CLA-EC called Continuous Action Set CLA-EC or in short Continuous C...
action set learning automaton in each cell is replaced by a continuous action set learning automat...
model it is tested on some function optimization problems. The results of experimentations have s...
comparing to standard CLA-EC has both higher accuracy and speed of convergence.

INDEX TERMS

- **IEEE terms**
  Bioinformatics , Computational modeling , Computer architecture , Genomics , Learning automata , Mi...

- **INSPEC**

  - **Controlled Indexing**
    cellular automata , evolutionary computation , learning (artificial intelligence)

  - **Non Controlled Indexing**
    cellular learning automata model , continuous action set CLA-EC , continuous action set learning a...
    set learning automaton , function optimization problems

- **Author Keywords**
  CLA-EC , Cellular Learning Automata , Continuous Action Set Learning Automata , Continuous CLA-EC
