- *Manuscript Submission*

Topics

- *Production/Logistics/Supply Chain*
- *Manufacturing, Machines, Tools*
- *Control, Robotics, Mechatronics*

Keywords

- Grid computing
- Petri nets
- Learning automata
- Optimization
- Modeling

Industry Sectors

- *Materials & Steel*
- *Automotive*
- *Electronics*
- *IT & Software*
- *Telecommunications*
- *Consumer Packaged Goods*
- *Aerospace*
- *Oil, Gas & Geosciences*
- *Engineering*
